# Modest hero in line for national award

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

**MODEST** firefighter Mark Turley does not think he did anything exceptional by pulling a mother and her three young children from their burning house.

But his bosses disagree and Mark, from Haverhill, could be on his way to 10 Downing Street to be congratulated by the Prime Minister after being short-listed in the annual Vodafone Life Savers Awards.

Mark, 39, has been a retained firefighter for almost five years, but the drama which earned his nomination happened right on his own doorstep.

He was at his home in Parkside, Haverhill, two months ago, changing a nappy for his two-year-old son Matthew, when he heard a smoke detector going off next door. His actions saved the lives of the mother and her children aged six, three and two.

"After about 30 seconds when the alarm did not stop I asked my girlfriend Nicola to take over with Matthew and I went outside. I could not see anything from the outside, but I lifted the letterbox and I could see about two feet of smoke through the downstairs of the house.

"All you could hear were three kids screaming and trying to wake their mother up. I managed to talk to them through the letterbox and get them to let me in, then got the three of them out.

■ **CHUFFED** . . . retained firefighter Mark Turley is proud to have been nominated for a life savers award.

Picture: Alex Weatherill 417980.

"I had to tell them not to follow me, then went back in for their mother. I could not wake her, but as I started to lift her she woke up and walked out. My girlfriend took them all into our house and I went back to ventilate the house."

Mark played down the bravery of his actions. "I did not even think about the danger," he said, "it was just instinctive to go in there. I am chuffed to bits to be nominated, but I really don't think

I did anything different to what anyone else would have done.

"I don't really expect to win as there are a lot of people who have done far more and really put their lives on the line."

The awards were launched in April to honour unsung heroes behind Britain's most remarkable lifesaving rescues — from the emergency services through to ordinary members of the public. Mark has been short-listed in the

East heat to choose two regional finalists to be announced later this summer.

Vodafone UK's Julien Cozens said: "All too often people who have acted heroically tend to avoid the limelight.

"We want to make sure that acts of exceptional bravery and courage such as Mark Turley's receive the recognition they truly deserve."

# Couple retire to take great walk of charity

■ **LOOKING AHEAD** ... Marion and David Rowlinson prepare for their adventure.

Picture: Warren Gunn 416570.

AFTER pulling pints and serving food for almost half a century a couple is taking on a new challenge in retirement by walking along the Great Wall of China for charity.

Marion and David Rowlinson, who ran the Plough Inn near Hundon for almost 25 years, have decided to take part in the Great Wall of China Trek in September in aid of the St Nicholas Hospice at Bury St Edmunds.

David said most people were aware of the hospice's valuable work, providing care for the terminally ill and support for their carers at their headquarters in Bury.

Only a fraction of the £7,000 per day needed is provided by government, and the rest relies on the generosity of local people and also the many volunteers who give freely of their time.

David said: "It is not going to be a

walk in the park, there are some very steep inclines.

"We are both keen walkers and we wanted to do something with our time now we are retired. We thought it would be nice to do some good at the same time.

"Marion has done much more preparation than myself, she has been to the sports centre gym and they have done a programme for her.

"We are hoping to stay on for a few days afterwards and see a bit of the country. It is supposed to be a life changing experience, so we will see if it is."

The trek itself is organised on behalf of the hospice by an organisation that arranges accommodation, guides and medical staff and involves spending a total of five days trekking the wall for up to seven hours, negotiating relatively unexplored and quite steep sections.

At the ages of 60 and 64 respec-

tively, Marion and David are apprehensive about tackling the venture although they had always wanted to visit China. The trip provided them with the opportunity, and they will be donating its cost, so that all monies raised will benefit the hospice.

While at The Plough, Marion and David's customers and friends helped raise money for the hospice and they hope for their support again.

Anyone who would like to help can attend a quiz night they have organised on Thursday, July 26 at The Plough where Paul and Cathy have kindly agreed to host fundraising events.

There will also be a dance at Hundon Village Hall on August 4 featuring 42nd Street where it is hoped to hold an auction of promises.

Anyone able to give in this way can contact the couple on (01440) 786 615 or visit the website, [www.justgiving.com/rowlinsontrek](http://www.justgiving.com/rowlinsontrek)

## Woman injured

A WOMAN was taken to hospital and a man arrested after violence erupted in the centre of a historic Suffolk town. A large crowd were involved in a brawl outside the Cock pub in Callis Street, Clare, at around 10.50pm on Friday.

Four police cars arrived to deal with the incident and a woman was taken to Addenbrooke's Hospital, Cambridge, with facial injuries, but has since been released.

A 52-year-old Clare man was arrested on suspicion of causing actual bodily harm and later released on bail to appear back at Bury St Edmunds Police Station on July 22. A Suffolk Police spokesman confirmed that a large number had been involved in the incident, but stressed that it was very unusual for Clare. Anyone with information about the incident should contact Haverhill Police on (01284) 774 100.

## Great fete

VILLAGERS at Great Bradley will be setting out their stalls on Sunday for the annual fete.

The event starts at 2pm at Great Bradley Hall and will include a bottle stall, gifts, toys, books, cakes, plants and bric-a-brac, as well as pony rides, tombolas and games including a remote control car challenge.

The church will host the results of the children's art competition, a photographic display and organ recitals.

Entry is free and there will also be a chance to visit the hall gardens, a lucky programme competition to win a prize hamper and grand draw at 4pm.

# Apologies for 'very awkward situation'

THE head of Haverhill's Chamber of Commerce has said sorry to members for the sudden postponement of its annual meeting and reconvened it for later this month.

The chamber committee issued its apology after last week's meeting had to be cancelled because of a technicality raised over the group's constitution.

One of the members questioned the validity of the constitution because it had never been signed. There was a call for a solicitor to clarify the legality of the constitution but as no one was suitably qualified the chamber committee decided, unanimously, to call a halt to the meeting.

Legal advice has now been taken and the chamber has been

advised that although unsigned the constitution was legal because the committee had approved it in April 2005.

The chamber is reconvening the meeting for Tuesday, July 31 at 1pm at Haverhill Golf Club.

Paul Donno, chamber chairman said: "What happened was really unfortunate and all we can do is apologise to those who turned up to support the AGM.

"It was a very awkward situation for the committee to be put in — we were put on the spot and took a decision to stop the proceedings until we were absolutely sure of the legal position.

"We have now taken advice and are sure of our legal position. We hope our members will be able to attend the reconvened AGM on July 31."

## Eleanor dishes up recipe for success

**YOUNG** Eleanor Picket scored a victory for female cooks everywhere when she beat the boys in the Chef of the Future competition's cook-off.

Haverhill gastro pub The Fox hosted the final of the contest where more than 100 hopefuls from three schools were whittled down to three finalists. Eleanor, 15, who lives in Cavendish, and is a pupil at Samuel Ward Arts and Technology College in Haverhill, walked off with the title for her menu of salmon fillet with saffron sauce, potatoes, green beans and asparagus, followed by summer fruit surprise.

Second place went to Karl Mitchell, from Castle Manor Business and Enterprise College in Haverhill, with Sam Till, from Linton Village

College third.

All three received cookery books and Eleanor wins a free meal at The Fox for herself and her family, plus a chance to work in the pub's kitchen.

Judges were Barry Hilton, managing director of the Spice Inns group, Alison Rogers, head cook at Chalkstone Middle School in Haverhill, and Martin Amos, head chef at The Fox.

Eleanor said: "I am really surprised to win but very pleased. I have always been interested in cooking.

"I have loved doing this and it is a fantastic opportunity to come and cook in the kitchen, I can't wait. I am interested in going into the catering industry, but I have not really decided yet.

# Judges warning to dumped boyfriend

BY Toni Fairbairn

Email: editorial@haverhillweeklynews.co.uk

A **LOVESTRUCK** teacher who made a pest of himself sending a torrent of messages to his ex-partner in a bid to get her back has been banned by a court from having any further contact with her.

Michael Brumby, a PE teacher at Castle Hill Middle School, Haverhill, was warned he faces jail if he tries to get in touch with former girlfriend Caroline Neale, who is also a teacher.

District Judge Ken Sheraton, sentencing Brumby at Cambridge Magistrates' Court for harassment, slapped a restraining order on him – to run indefinitely. He was also given a two-year conditional discharge.

Lovelorn Brumby, 29, who was dumped by Ms Neale after what he described as "some stupid, meaningless behaviour on a computer", bombarded her with hundreds of emails, texts and letters for months in a campaign to win her back.

He began his relentless barrage last December after the couple, who had bought a house together in Green Park, Cambridge, came to a settlement over the property.

Armed with flowers, he went to the school where she teaches and made a bid to declare his love for her in front of her class, but was ushered away by staff.

Texts and emails by the dozen followed, despite Ms Neale relaying the message that the relationship

■ **BANNED** . . . Michael Brumby has now taken a job in Indonesia.

was "unequivocally over" and requesting that he not to contact her again, Paul Brown, for the prosecution, told the court.

But the torrent continued, including laminated sheets featuring descriptions of what their life together could have been like, and even "pictures" of the children and pets they may have had.

By April, Ms Neale, whose friends and family members were also targets for messages, had had enough and called police to get her former partner warned off. But minutes after officers had been to Brumby's home at Lady Jane Court, Cavendish Avenue, Cambridge, to issue an official harassment

warning he sent a text message to Ms Neale, asking why she had involved the police.

It was clear, said Mr Brown, that Brumby did not take the warning seriously.

Next, Brumby pushed a 29-page hand-written letter through Ms Neale's letterbox. When she failed to reply, he tried to contact her sister.

He was arrested after he texted Ms Neale and turned up at her home on May 15. He admitted a charge of harassment when he appeared in court a week later but, after sentencing was adjourned and bail granted on condition he made no contact with Ms Neale, her family, or friends, he then wrote a letter to her father. Arrested again, he was bailed to stay with relatives in Doncaster.

Brumby, who, the court was told, has never shown aggression or made threats to Ms Neale and just wanted to talk to her, is quitting life in the UK and has taken a job in Indonesia.

The judge told him: "I would imagine that the constant barrage of letters and communications must have been distressing in the extreme, given the fact that this lady wanted no further contact with you.

"Trying to get to her through friends and family I would suggest was cheap. I consider the main purpose of these proceedings is to establish a Restraining Order to protect her, her friends and family from you. Breach of this order can carry a maximum of five years imprisonment. Let me tell you, if you have any plans to contact Ms Neale – forget it."

## Avast! It's showtime

**PARROTS** will win prizes for little pirates attending this weekend's Haverhill Show at the recreation ground.

There is a nautical theme this year and every child dressed as a pirate will receive an award, with special first, second and third prizes for the best dressed pirate, judged at 1.45pm on Sunday.

The show is the annual fund-raiser for LAMPH, the Haverhill-based group for adults and children with disabilities, and is organised in association with the *Weekly News*.

It starts with a car boot sale on Saturday at the Camps Road Recreation Ground, followed by the main show day on Sunday.

There will be another all-day car boot sale and the main show will start with a church service on the bandstand at 10.30am, followed by the official opening at 11am.

The popular Baby Show will start at noon with categories for six months to one year, one year to 18 months, and 18 months to two years, and portraits from The Gallery for each first prize place. Winners will be announced at 4pm.

The dog show starts at 11am. There will be a police dog display, as well as Haverhill Motor Cycling Club, karate, classic cars and dancing from local dance schools. More helpers are always needed and anyone who can should turn up on the day.

■ **For more show detail, see Page 14**

## Police concerned

**POLICE** are appealing for information to make sure that a woman is safe after she was seen having a late-night argument with a man inside a car while another man stood outside.

The incident happened at Dunsey Wood Close, Haverhill, at around 11.55pm on Tuesday.

Officers would like to speak to any of the parties involved to establish that the female is safe and well.

Anyone with information should call DI Jenny Benham on (01284) 774 100 or Crimestoppers on 0800 555 111.

## Dare-devil gran's cash for hospice

**ADVENTUROUS** grandmother Rose Felloni has walked on hot coals, jumped from one plane and wing-walked on another to raise cash for her local hospice. Rose, 60, has no intention of slowing down and her future plans include another wing walk – this time with the plane rolling over – and abseiling down the side of Ipswich Hospital. Over the years Rose has raised thousands of pounds for St Nicholas Hospice in Bury St Edmunds and the Prader-Willi Syndrome Society.

Rose had cared for her daughter Deena, 38, who suffered from the rare condition and died from it two years ago.

The illness is a genetic condition which means the brain does not tell the body to stop eating and sufferers literally eat themselves to death.

Rose gave her latest cheque, for £400, to Ian Norris, fundraiser for St Nicholas Hospice, Haverhill, having raised the money from selling home-made gift boxes. Rose, of Sorrel Walk, Haverhill, has 12 grandchildren and one great granddaughter. She said: "I have always done a lot of fundraising and I know about the great work the hospice does. I was quite isolated when I was caring for Deena."

Mr Norris said: "Rose is definitely one of our star fundraisers."

A WEEKLY coffee morning is proving so popular that a second sitting is being started on another day.

The Salvation Army started its regular Monday coffee mornings a few years ago at the Community Resource Centre on the Clements estate in Haverhill. "This will take place on a Thursday morning from 9.30am to 11am."

Everyone is welcome along to the centre, which adjoins the shop there and also offers advice sessions and other services to the local community

# Teenager gets supervision order after arson attack

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

A TEENAGER has admitted starting a fire from which two young children had to be rescued.

The 16-year-old from Haverhill, who cannot be named for legal reasons, appeared last week at Bury St Edmunds Youth Court, where he was made the subject of a 12-month supervision order by District Judge David Cooper.

A charge of arson with intent to endanger life was withdrawn by the Crown Prosecution Service at the start of the hearing, and the boy pleaded guilty instead to a charge of committing arson being reckless as to whether life was endangered.

Prosecutor Paul West said the charge followed a blaze at a home in Wentworth Terrace, Haverhill, during the early hours of Sunday, April 15, when a 25-year-old man and 21-year-old partner had to rescue their five-week old daughter and three-year-old son from a bedroom.

The room was directly above where a wheelie bin had been set alight as they slept and it was only their daughter's crying which woke them to discover the fire.

Both children were taken to Addenbrooke's Hospital in Cambridge for check-ups and given the all-clear by doctors. The family's house suffered extensive smoke damage and they were forced to move out.

Firefighters spent almost an hour getting the incident under control in the cupboard where residents' bins were kept and which had been broken open.

## MANORISMS

News from Castle Manor Business and Enterprise College

THIS Thursday sees Castle Manor's third Advanced Learning Day, with the topic fitting in with the Theme of the Week, Parliament. Classes will join together as both Year 9s and 10s take part in a series of events throughout the day. Students will be using their speaking, listening, acting and writing skills to learn about the subject in their own learning styles. The day provides an opportunity for pupils to gain a further insight into a topic that may not be targeted in their usual lessons.

■ As you may remember, Castle Manor hosted a cook-off in May, with the winner receiving a place in the final at The Fox restaurant in Little Watlington. Carl Mitchell was the lucky winner and will be representing the school this week at the final. Carl will be producing a menu with a budget of £8.50 and will be facing finalists from Samuel Ward and Linton Village College. We wish Carl the best of luck!

■ A week-long special performance project will be starting this Monday as around 80 pupils from Cangle Primary School visit the drama area in Castle Manor. The primary school students will be working with Mr Powter on Monday morning before returning back to Cangle to rehearse before the show on Friday. The project is a new experience for both the teachers and the pupils involved and will be a good way to showcase young talent!

■ Schools from all over town are travelling to take part in the music

festival hosted at Castle Manor this Wednesday evening. The cast of our show *Return to the Forbidden Planet* will be performing as well as various acts from across the town. The night should be an exciting and lively event; I hope everybody who is going enjoys it.

■ Last week Year 10 Business and Applied Business students travelled north to Bury and Manchester to see the organisation of large businesses. Applied Business students travelled to the Co-op's head office in Manchester where Business pupils went to Greene King in Bury. Learning about CVs, human resources and the recruitment process, all pupils who went had the valuable chance to see the perspective of a large national organisation.

■ On Wednesday primary school and middle school students both visit Castle Manor. Year 7 students will be working with the English team all day while Year 2 Clements Primary School pupils work with the science team.

■ Last term Castle Manor raised money for the Dyspraxia foundation with a 'Wear a Hat' day. This week we will be presenting the money raised to the charity in the Business and Training Centre.

■ A last quick reminder, tickets for the *Return to the Forbidden Planet* are now on sale. Tickets can be bought by contacting the school.

# Mum 'made homeless' by landlord

YOUNG mum Jill Morgan says she and her 20-month-old son are being thrown out on to the streets by their landlord in two weeks' time and have nowhere to go.

Ms Morgan, 21, said she had done everything she could to find a place for herself and son Kyle but it looked as if they would literally end up on the streets.

She has slammed Havebury Housing – which rented her the flat at Heron House, Haverhill, where she has lived for the past two years, – and St Edmundsbury Borough Council, saying they are unwilling to help.

Ms Morgan said she had previously been offered another two-bedroom flat in Haverhill by Havebury, but turned it down because at the time she was living with a partner who had two children and it would have been too small.

A week later, when she was no longer with the partner, she was told the flat had been given to someone else.

"I don't know where to turn, they just don't seem interested in helping me," she said.

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

"The Homeless Team were going to put me in a refuge, but there was no room there. It would be in Bury and I don't know anyone there and I don't drive, neither does anyone in my family.

"We were only supposed to move into Heron House for six months: they said we would be housed by Christmas.

"Everyone else has moved out into a two-bedroom house, but I am still there. Now I am going to be homeless and on the streets."

A spokesman for Havebury said it only rented Heron House to St Edmundsbury Borough Council for emergency accommodation, not on a permanent basis. It understood Ms Morgan's change in circumstances, but said she would have to go back on to its housing waiting list.

A spokesman for St Edmundsbury Borough Council said it was trying to help Ms Morgan, but as she had turned down the flat earlier it had fulfilled its homelessness obligation towards her. The council would try to help by providing a deposit for a flat in the private sector.

## Purse thefts

FOUR shoppers had purses stolen from their handbags in Haverhill High Street on Saturday afternoon.

The four incidents were between 2.50pm and 3.50pm and shoppers are being urged to be vigilant while shopping in the town centre, especially during busy periods such as lunch hours and market days. They are reminded to keep bags zipped up and to never leave them unattended.

Anyone who has information about the recent purse thefts should call Suffolk police on (01284) 774100, quoting reference number HH/07/1561.

## Bus damage

A BUS window was damaged while the vehicle was parked in Clare on Friday, June 22.

The red Daf bus had its window cracked while parked in a lay-by at Westfields Clare, facing Sudbury, at around 5pm.

No passengers were on board at the time. Anyone with information should call Pc Brendan McKenna at the St Edmundsbury Rural South Safer Neighbourhood Team on (01284) 774100.

# College homecoming for music show star

A MUSIC star returned to his roots to perform at his former college's hair and beauty awards night.

Darren Michelangelo Smith, from Haverhill, is on the up after making it to the final of Channel 4 show *Musicool*, which aimed to find the most promising new music talents in the country.

The television show featured cameos from some of the top stars of the music industry, including Jermaine Jackson of the Jackson Five, who gave the would-be musicians tips on how to make the most of themselves.

Last week the 19-year-old was back at Cambridge Regional College (CRC), where he graduated with a National Diploma in Music Practice last year, to perform at the Academy of Hair and Beauty Awards night.

He said: "Appearing

on *Musicool* was a good experience. I didn't enjoy it at first, but once I settled in it was brilliant — I progressed a lot, and the tutors were great.

"Being from Haverhill, which isn't well-known, makes it difficult to get ahead in this business, so appearing on the show helped me play in venues I would not otherwise have been able to.

"Now I am back at home, and when I was asked to play I thought it was something I would like to do.

"I had a really good three years at college. I learned a lot and made a lot of friends. Being back was a chance to see some old faces and catch up with the tutors who helped me."

The singer-songwriter played to an audience of more than 400 students, some of whom put on a fashion show.

Money raised will go to Milton Children's Hospice.

## Computers mended

INDEPENDENT computer company, Granta-Tech, can provide an efficient and friendly solution to all of your computer problems.

The new business has been running from its Linton location since April this year and offers computer repairs and upgrades for the home and business as well as

■ GRANTA-TECH... there to help.

supplying PC's and laptops to buy.

Owner Simon Ward provides a wide range of IT services. "I pride myself on being able to offer a complete repair or sales service to my customers including delivery, installation and transferring data from an old PC to a new one," says Simon.

"If a customer requires repairs we arrange free collection and delivery, or repair on site where appropriate."

Simon has lots of experience in the IT industry and has spent the last 15 years repairing electronic and computerised medical equipment within the NHS.

Granta-Tech provides a friendly, personal service which according to Simon can only be found in an independent company like Granta-Tech. "When buying

a new computer people prefer to deal with an individual who can offer honest advice rather than large national PC companies," adds Simon.

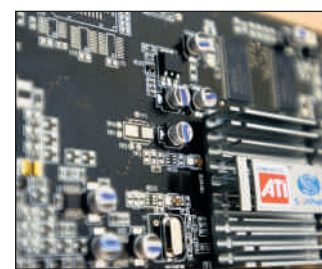

"Many people complain that the large chains just try to sell them as much as they can rather than the right thing for their needs. I hope to offer my customers peace of mind in knowing that they are dealing with a professional, personal company."

Granta-Tech is open Monday to Saturday from 7am-6pm and Sunday upon request.

For more information or to speak to Simon about your computer problems please call (01223) 893269, send an email to [simon@grantatech.co.uk](mailto:simon@grantatech.co.uk), visit [www.grantatech.co.uk](http://www.grantatech.co.uk) or drop in to the office at 77 The High Street, Linton, (above Sweet Talk news-agent).

# How you can beat runaway interest rates.

The more the Bank of England keep changing rates the more some of us end up in a flat spin.

The rate stays at **6.25%** until 30th September 2009. Thereafter, you can gently move on to our Flexible Mortgage and pay our variable home loan rate, currently **6.70%**, for the remaining mortgage term.

The overall cost for comparison is **6.9% APR**.

Application fee £495. An early repayment charge is payable if you repay the loan in full, before 1st October 2009. For a personal illustration, contact any of our 23 local branches and arrange to talk to one of our mortgage advisers. Or telephone 01223 727 727.

# Showcase of family fun

■ **A TWO-DAY EXTRAVAGANZA** . . . this weekend's Haverhill Show promises to be the most entertaining yet.

THIS year's Haverhill show promises a week-end of fun and entertainment for all the family.

Pirates, parrots and maybe even captain Hook will fill the Haverhill recreation ground across Saturday and Sunday's two-day extravaganza as the pirate themed show attracts residents and visitors from Haverhill and the surrounding areas.

A prize will be given to all children who dress as a pirate with first, second and third prizes up for grabs for the best costumes.

The main arena will feature plenty of entertainment to keep mum, dad and the kids amused with demonstrations from the Lisa Mason School of Dance, Tang-Soo-Do Karate Club, Wado-Ryu Freestyle Karate, Colette's Entertainment School, a classic car show and more.

Other activities and events will include a fun fair, a baby show and dog show, displays from Haverhill and District Motorbike Club, a car boot sale (Saturday and Sunday, £6 per pitch just turn up and pay), trade stands, tombola, face painting and a fancy dress competition.

The annual event is

# Clearing up after brush with law

A HOUSING group is handing out paint brushes and rubbish sacks to young offenders so they can make amends for their actions.

Havebury Housing Partnership is working with the national crime prevention charity Crime Concern to provide community work for young people under court orders.

Litter picking and painting jobs in areas managed by the West Suffolk landlord have been allocated to young offenders which, when complete, will count towards the hours of unpaid community work that each individual is required to undertake. This is usually between 80 and 240 hours depending on the crime.

Karen Todd, reparation and mediation officer at Crime Concern, said: "The reparation work is extremely important. It not only enables young offenders to compensate for their actions, it gives them a sense of achievement and benefits the local community at the same time."

A recent case involved a youth found guilty of drawing graffiti on garage doors on the Clements Estate in Haverhill. As the landlord and therefore "victim" of the crime, Havebury was consulted by Crime Concern on the type of community work the offender should complete.

John Feveyear, Neighbourhood Manager of Havebury, said: "Where possible we'll suggest the young offender puts right any damage caused."

Karen Todd added: "The young person involved said the garages looked so much better once they had been painted and that he would be extremely angry if anyone else ruined his hard work."

# Student stars sparkle

STUDENTS from Haverhill who have succeeded in their studies against the odds have received prizes at a special ceremony.

Charlie MacGechan won the Governors' Prize, sponsored by the governors of West Suffolk College, awarded for achievement through determination in difficult circumstances.

Ana Garcia-Almendros received the Haverhill Learning Centre Prize, sponsored by Printwise, and Deborah Allard got the Lloyds TSB Bank plc Shield sponsored by Lloyds, awarded to the student making exceptional progress on the BA (Hons) Psychology and Sociology course.

Charlie is a talented young actor, brought up by his mother Frances, who from early childhood encouraged him in drama. Charlie was a rising star, performing in community theatre groups, competitions, festivals and many other challenges.

He went to West Suffolk College with a dream of getting to the best stage school after completing the BTEC National Diploma in Performing Arts. Unfortunately Charlie's mother was diagnosed

■ PRIZE TRIO... from left, Deborah Allard, Charlie MacGechan and Ana Garcia-Almendros.

CP.

with cancer last September and passed away. Charlie had been preparing auditions for drama school, studying and caring for his mum.

With the help of college staff and by his own determination he has finally earned a place at the prestigious Guildford School of Acting to study musical theatre. He has also been awarded a scholarship of £30,000 over three years to cover tuition fees.

Ana was born in Spain and has lived in Haverhill for three years. She works at the Wisdom factory. Her study needs to be flexible to fit around home and work, but she never misses a session and

plans her schedule carefully. Her tutors think she is amazing, especially as English is her second language.

Debbie left school labelled a 'poor reader'. For 27 years she worked as a factory operative, then joined her degree course after doing a part-time Access to Higher Education course.

Now Debbie is near completion of her degree and has applied for a diploma course in counselling.

She is a wife and mother, volunteers at a hospice and at Riverwalk School, plus mentors GCSE students, encouraging them to aspire to higher education.

## Delighted to be calling the shots

A COUPLE of catering and hospitality industry regulars have taken the reins of the country pub and restaurant the Horse and Groom at Cornish Hall End.

The 17th Century North Essex hostelry has wide appeal, serving as both a convivial local and a welcoming spot sought out by passing motorists and walkers alike. Kelly and Geoff Bishop are making sure their customers' thirsts are quenched with their selection of four real ales and an extensive wine list.

The comfortable bar area boasts two log fires and a lounge area with sofa and Queen Anne arm chairs. There is also a dart board which is often in use on a Wednesday evening for fun charity competitions.

The restaurant seats around 50 covers and has a carvery every Sunday from noon to 3pm.

Tuesday through to Saturday from noon to 2.30pm and 6-9pm, plus Sunday evening from 5-9pm there is a specials board and main menu which consists of freshly prepared homemade traditional English meals, fresh fish and succulent steaks, plus

many more mouth watering dishes, with at least two vegetarian main course options.

Kelly said: "Once a month we have a theme evening. Previous featured themes have been Mexican, Indian, Chinese, fish and chips,

these are very popular and are booked well in advance."

She added: "Children are welcome. To help keep them entertained there is also a resident bouncy castle, weather permitting, which under 12s are welcome to

enjoy in the large enclosed pub garden." The Horse and Groom is situated on the B1057 between Steeple Bumpstead and Finchingfield.

## Frogs at the ready: Ray's on his way to arts centre

HAVERHILL Sinfonia presents *Music for a String Orchestra* at the Haverhill Arts Centre this weekend.

With Kevin Hill conducting and Timothy Orpen on clarinet, it promises to be a sensational evening.

Music will include Mozart's *Adagio and Fugue*, Finzi's *Clarinet Concerto* and Wren *Serenade* and Mendelssohn's *String Symphony No 10*.

Orpen studied at the Royal Academy of Music and was winner of the Royal Overseas League Music competition in 2005. He has performed with many of the country's top orchestras, and has broadcast on BBC Radio 3 as a soloist. The concert starts at 7.30pm on Sunday.

■ John Travolta, William Macy, Ray Liotta and Tim Allen star in *Wild Hogs* (12A) on the big screen next Tuesday at 7.45pm. A mismatched group of bored suburbanites longing to escape the stress of their daily lives and embrace the freedom of the open road finds that it takes more than polished chrome and leather jackets to truly experience the biker lifestyle in this revved-up road comedy.

■ A dark picture is painted of life under the Communist regime in East Germany in *The Lives of Others* (15), showing next Wednesday at 7.45pm. This film won the Best Foreign Language Oscar and is set mainly in East Berlin during the mid-1980s. It chronicles the consequences of the Minister of Culture's decision to investigate, by means of surveillance, the lives of a successful playwright and his actress wife.

■ *Two Victorian Tales*, next Thursday at 8pm, is a highly atmospheric one-man dramatisation of two classic short stories by Charles Dickens and Thomas Hardy. *The Signalman*, by Charles Dickens, tells of a retired industrialist who feels the need to explore the new phenomenon that provided the means for his company's sudden expansion and resounding success – the railway system. Stumbling upon an isolated signal box, he befriends its solitary inhabitant, leading to an uncanny conclusion. *The Three Strangers*, by Thomas Hardy, is set in the snug cottage of a shepherd and

his wife, who are celebrating the christening of their second child, when three seemingly unrelated strangers arrive one by one. Both tales are adapted and performed by Raymond Sargent.

■ Country and western music fans are in for a special treat when Raymond Froggart – "Froggie" to his followers – takes to the stage

## YOUR GUIDE TO MOVING HOME

**1** Moving home can be a complicated business and, in the hectic run to the big day, it is all too easy to forget something vital. The Property News offers their readers this handy checklist that should help avoid major pitfalls. We suggest you tick off the items as you deal with them...

### WITH FOUR WEEKS TO GO:

- ☐ Get estimates from removal companies, checking that comprehensive insurance cover is available against damage or loss. Is there a packing and unpacking service? Confirm the date of your move with the firm you have chosen.
- ☐ Check on your home contents insurance policies to ensure that you are covered for the move, and covered at your new address.
- ☐ Make arrangements for your gas and electricity meters (plus water meters where relevant) to be read and all your appliances to be disconnected on the day of your move.
- ☐ Arrange to take over gas and electricity at your new address, and make sure that all appliances will be properly fitted, plumbed or connected.
- ☐ Notify British Telecom and ask them to make the necessary arrangements for a final account at your present address, and for taking over or installing telephone facilities at your new home.
- ☐ Arrange for change of address cards to be printed.

### WITH TWO WEEKS TO GO:

- ☐ Confirm all arrangements, times etc, for meter readings, disconnections and reconnections, with authorities and with your buyer and seller.
- ☐ Make sure you have a good stock of packing materials, including sturdy boxes and plenty of string and sticky tape.
- ☐ Begin to throw out unwanted items from attics, wardrobes. What you really don't want you may as well dump now, or send to charity. It's a great time for a good sort out!

### WITH ONE WEEK TO GO:

- ☐ Send off change of address cards.
- ☐ Arrange and pay for automatic redirection of your mail by the Post Office.
- ☐ Cancel and pay up accounts for routine delivery services such as milk, groceries, fuel and your Cambridge Evening News. Re-organise these deliveries for your new address.
- ☐ Defrost refrigerators in preparation for move and, if you are moving a freezer and its contents, turn it up to maximum for a couple of days before you move.

### WITH ONE DAY TO GO:

- ☐ Complete your packing except for those items you are likely to need overnight, and prepare a picnic for moving day.
- ☐ Have a large enough cash 'float' available to deal with unexpected expenses, and make sure you have collected documents and valuables together in a safe place.
- ☐ Cover carpets which are being left behind, so as to minimise damage during furniture removal.
- ☐ Check through previous lists to make sure nothing has been overlooked, then enjoy a worry-free early night!

### 2 ON MOVING DAY:

- ☐ Strip beds and pack bedding and nightclothes.
- ☐ Pack items for washing/toiletries.
- ☐ Take down curtains.
- ☐ Take up rugs, carpets, floor coverings, as required.
- ☐ Dismantle any light fittings etc., not included in the sale.
- ☐ Turn off electric appliances.
- ☐ Disconnect cooker.
- ☐ Turn off boiler/central heating.
- ☐ Turn off water.
- ☐ Read gas meter.
- ☐ Read electricity meter.
- ☐ Secure all windows.
- ☐ Lock all doors.
- ☐ Leave key as arranged with new owners.
- ☐ On arrival at your new home, unpack slowly and methodically so that you can check for loss or damage.

### 3 EXTRA HINTS FOR A SMOOTH MOVE...

#### WHO TO NOTIFY:

- ☐ Banks.
- ☐ Building Societies.
- ☐ Credit companies.
- ☐ Insurance companies.
- ☐ Gas, Electricity and Water Boards.
- ☐ Telephone company.
- ☐ Local Authority (Rating Department).
- ☐ Driving Licence authorities.
- ☐ Inland Revenue.
- ☐ Store cards and accounts.
- ☐ Other lease, hire or rental companies.
- ☐ Employer.
- ☐ Doctor.
- ☐ Dentist.
- ☐ Schools.
- ☐ Professional Bodies/Trade Unions.
- ☐ Motoring organisations.
- ☐ Newsagent.
- ☐ Friends and relatives.

## Covers come off latest MG

VISITORS to the 57th MG International Race meeting at the weekend were treated to the first public appearance of the new MG TF sports car.

The Longbridge built sports car took pride of place at the 57th annual MG Car Club celebration, which is the world's largest

gathering of MG cars spanning more than 80 years of the marque's history. The new TF, which is due to go into production later this year, features numerous new engineering innovations and cosmetic changes that will make the car a truly desirable proposition when it appears in showrooms.

"The public response to the

new TF has been fantastic," says Gary Hagen, sales and marketing Director for NAC MG (UK). "This car represents a fresh new addition to the UK sports car market, and judging by the reaction at Silverstone over the weekend looks set to enjoy healthy sales in the UK."

Further details will be made available via the NAC MG press office in due course.

## Peugeot's new-generation 308

PEUGEOT'S 8 generation is born. The new Peugeot 308 is set for release this September, replacing the successful 307 as the company's family

The French manufacturer's design team have taken an evolutionary approach to the design and have built upon the previous model's foundations. The clean and crisp lines have a hint of Peugeot's Le Mans racer at the front, obviously helping the 308 get class leading

aerodynamics and reducing the fuel consumption.

The 308 will have a very small thirst throughout the engine line up achieving 60mpg and 42mpg for the respective diesel and petrol engines available at launch. Three petrol and three diesel powerplants will be available from the start but expect those to be added to shortly after launch along with a range of different body styles. An estate, a Coupé Cabriolet and a GTi are safe bets.

The latest addition to Peugeot's range offers more space inside than the previous model with the extra volume created by a longer and wider design being put to good use. The height is slightly reduced, by 12mm, keeping plenty of head room and improving the handling.

With an excellent safety rating expected, seven airbags to be fitted as standard, and competitive performance the new 308 will be a serious player in the tough market.

■ THE PEUGEOT 308 ... plenty of space, low fuel consumption and excellent safety features.

Prices and specification will be announced closer to the September launch date.

## Thurlow's sights on promotion

A BLISTERING start to the season has made Thurlow worthy winners of the Stumps & Studs Team of the Month award.

They won the award for May after winning their opening three matches of the campaign, and they still sit unbeaten at the top of CCA Junior League, Division 2SB.

An amazing opening partnership of 277 between Keith Donno (159 not out) and Martin Farrant (92) in the first game against Romsey Town got them off to a flying start. And they followed it up with wins over Elmdon and Abington II by nine and five wickets respectively.

Vice-captain Ben Piper said the agony suffered last year, when the club missed out on the title and promotion by 0.05 of a point, was driving them to success.

"We've had a very good start to the season," he said. "We just missed out on the league last year and everyone was a bit gutted about it, so we're really going for it this year."

"Everyone's getting wickets and scoring runs – both disciplines are going really well. If we

bat first, then we usually get quite a few runs and often get more than 200. And if we bowl first, we seem to bowl teams out for about 100.

"The partnership between Keith and Martin was fantastic and set a club record. It was pretty amazing as we didn't lose our first wicket until the 40th over."

Thurlow are the only

unbeaten team in the division and are 2.6 points clear of Audley End & Littlebury on average.

The CCA's competitions secretary, Martyn Livermore, said Thurlow deserved the award for their all-round displays.

"They won their first three games and they won them all very convincingly," he said.

"They scored lots of runs and they didn't lose too many wickets either. There were quite a few good teams to choose from, but Thurlow made a very impressive start to the season."

"They're one of those teams that not many people have heard about, but they get on with it quietly and have done very well."

## Everything was set Fair for Ted

THE Medal round at Haverhill GC's Coupals Road course also incorporated the Haverhill heat of the HSBC event.

The overall winner was Ted Fairhead, at eight under, who also took the low section of the Medal, with runner-up Lee Chandler a full eight in arrears. Colin Norman and Scott Turner were the leading players in the other two groups.

Leading scores – Division One: E Fairhead 64, L Chandler 72, G Baird, R Palmer, M Stanton 73, M Elsworth, K Eldred 74, P Scott, E Kiddle, J Thomson, A Fish 75, P Driscoll 76, A Softley 77, S Nichols 78, T Marsh 79, D Harkness, M Pickup 80, G Gibson 84

■ Haverhill Seniors were involved in three matches, one away and two at home.

The away game at Towerlands was lost, but they returned to winning ways at home against Stoke By Nayland and Thetford. The Stoke match finished 5½-2½ and the Thetford game 4-2.

Senior member Peter Deane was

also celebrating, following his league match against Peter Mercer. Arriving at the eighth tee, he dispatched a seven iron shot, which went straight into the hole for that elusive hole-in-one.

■ The Suffolk Amateur Championship at Gorleston was the target for David Quinney, whose 68 was the best score of the morning round.

One or two missed chances in the closing round finally dropped him into a runner-up berth.

■ Mid-summer Madness saw a maximum field turn out bright and early. This was a four-member team event and

topping the result sheet with 115 stableford points were Eamon Bareham, Tim Daniels, Andy Softley and David Roope.

■ Haverhill Ladies' Weston Cup team entertained Seckford and the five singles games all went in favour of the home side.

■ Jackie Condon was the convincing winner of the June Stableford by seven points from Sheila Playle and Doreen Darbey.

Leading scores: J Condon 38, S Playle, D Darbey 31, S Carr 30, P Kennedy 29, B Reynolds, D Williams 28, C Heathfield, C Gardner, L Nichols 27, G Richardson 26, F Smith, G Wheatley 25, P Ratford 24, S Andrews 23, D Walters, M Mercer 22, A Thompson 18.

# Holders in last four after Giles goes nap

MARTIN Giles bagged five scalps for Horseheath as the holders of the Adam Harrison Midweek League Cup progressed to the semi-finals with a seven-wicket defeat of Brockley.

Visitors Brockley were pegged back to a score of 125 for 8 thanks to Giles' return of 5 for 29. Gary Ellis then smashed 73 to take the hosts to a victorious response of 128 for 3.

Abington remain bottom of Division One after they lost out by seven wickets to fellow strugglers Long Melford, who got home with eight balls to spare.

The visitors batted first and were led to a total of 90 for 8 by Stuart Duquemin (27) and Nick Wells (28), but Melford replied with an innings of 91 for 3.

In Division Two, nine-man Ashdon paid the price for not being able to field a full team as they lost out to Brockley by seven wickets despite Michael Furze (28) getting runs and

Mark Collins (3 for 16) picking up wickets.

Ashdon were all gone for 77 and Brockley replied with 81 for 3 in just over 12 overs.

Clare went to the top of Division 3A with an impressive 41-run victory over Wratting Lions.

Kevin Davis (36), Dave Dickon (28no) and Mark Goodwin's unbeaten 51 handed the leaders a total of 146 for 2, which they defended as Chris Gibbs (3 for 30) helped hold the Lions to 105 for 2.

## BOWLS ROUND-UP

## Haverhill B see off local rivals

HAVERHILL B went through to the next round of the Bumpstead League KO Cup with a hard-earned 14-shot victory over Grampian at Manor Road. The next round sees Haverhill B & C teams pitted against one another. Against Grampian, Tony Freeman, Paul Strudwick and John Senior lost by one shot to John McCormack's team. Shirley Purr, Steph Smith and Ken Hawker won by six shots over John Field's block and Ethel Parkhurst, Eric Liddle and Bob Smith beat Gill Bush's team. ■ In the Federation League, Haverhill A team travelled to Radwinter and returned with four of the five points to keep the pressure

## Woodley wraps up victory for leaders

HALF-CENTURIES from Neil Winter and Adam Dellar and a good bowling spell by Joe Woodley steered Marshall Hatchick Two Counties Championship, Division Three, leaders Haverhill to a 25-run victory at Mildenhall II.

Winter scored 53 and Dellar made an unbeaten 51 as the visitors posted 172 for 6.

Simon Youngs also added 47, while Lee Chipchase (4 for 84) and Stephen Lancaster (2 for 48) took the wickets.

The hosts struggled to get going and were

punished for not scoring quickly enough. Chipchase hit 41 and James Taylor struck 35, but putting only 60 on the board in the first 20 overs cost them.

Youngs took 3 for 50, before 18-year-old Woodley took 4 for 23 to finish it off.

Winning captain Rob Sullivan said: "It was a good performance and we gave a very thorough display across the board."

"Simon batted for about 38 overs and really held the innings together, and Joe bowled very well at the end."

"He was opening the bowling earlier in the season and struggling a bit, so I thought I would apply a different type of pressure to him."

"It seems to have paid off as he's becoming a really good bowler at the end of the innings."

Defeated skipper Steve Hunt said a less pedestrian start would have given his side the win.

"It was a disappointing result for us and we should have won the game," he said.

### COUNTY BOWLS

## Bottom team deals blow to North Essex

NORTH Essex travelled to bottom-of-the-table North Cambridgeshire with high hopes of success in their Adams and Newton Trophy matches at the weekend. But they saw their aspirations dashed in two close encounters at March Town and Tilney St Lawrence.

The home team edged home in the Adams match by 171 shots to 163, picking up 18 of the 22 points on offer.

North Essex captains Kevin Moore and Alan Cutts and county president Bob Smith were all deeply disappointed at the end result, particularly after having had such good expectations following the previous result against Northants.

Smith said he was optimistic for future matches, but stated: "This game is full of surprises, none more so than this one against North Cambs."

"Our expectations were high on the day, but, nevertheless, we will soldier on with the resources to hand and give our best on all our games."

Adams scores and rinks:

Malcolm Page, Bob Smith, John Senior (all Haverhill) 28, North Cambs 28; Leo Dockerill (Sudbury), Aaron Phillips (Sudbury) Ray Searle (Radwinter) 32, North Cambs 32; Robin Thomson, Andy Barnes, Malcolm Grimwood (all Boxford) 26, North Cambs 31; Alan Timlett, George Bullett, Eddie Josh (all Boxford) 23; North Cambs 21; Harry Sykes, Kevin Moore, Mick Harvey (all Radwinter) 24, North Cambs 28; Roy Bareham, John Brookes, Gordon Williams (all Cornard) 30, North Cambs 33.

The North Essex Newton team fared little better, picking up only two points in a rain-affected encounter.

Their sole victory came from the Birdbrook rink of Peter Lawrence, John Tweed and Ken Smith, who won their encounter by 23 shots to 21.

### FOOTBALL

# Arron sticks with Rovers

■ **STAYING ON . . .** goalkeeper Arron Benstead, who is remaining at Haverhill.

ARRON Benstead has decided to reject a move to Newmarket to sign a new deal with Haverhill Rovers.

The goalkeeper was thought to have moved across from Hamlet Croft to the Town Ground to play under Jockeys' boss John Taylor, but he has reported for pre-season training for Rovers and is ready to play another year for the Ridgeons League,

Premier Division new boys. Haverhill manager Steve Taylor has now re-signed all of last season's squad, including Benstead, while added to it with the arrivals of Louie Farrington and Wayne Goddard.

The Rovers boss said: "I always said to Arron to get in touch at the beginning of this season, if he wanted to stay on, but I knew other clubs, including Newmarket, were interested in him."

"He's a good keeper and I

wanted to keep hold of him and I am pleased he has decided to stay, because he has turned down better money to remain with us."

However, Taylor is not so pleased that Haverhill have not been drawn in the later stages of the FA Cup after they were handed a extra-preliminary round tie at Bourne Town on August 18, with the winners due to meet Walsham le Willows or Stowmarket away in the preliminary round on

September 1. Rovers made it to the fourth qualifying round last term off the back of a five-match winning run, which came to an end against Conference side Aldershot.

Taylor added: "I thought we might be able to get a later draw after last year."

"But if we can win these two games there is no reason why we can't emulate that run, then people will be thinking 'here we go again.'"
